

Kit Roupe is **DEDICATED** to making Colorado Springs a **BETTER PLACE...**

Kit Roupe is not a politician. She is a mother, military veteran and small business owner who understands the threat of big government.

As a 35-year resident of Colorado Springs, Kit Roupe is dedicated to making our community a better place. She will stand up for Colorado Springs and put our priorities first.

...FOR JOBS

Kit Roupe has first-hand experience coping with the job-killing taxes and regulations government puts on our local businesses. That's why we need her to be our voice against Denver's special interest agenda. She will fight to lower the taxes and cut the red tape so our small businesses can bring more jobs to our area.
